# Vital Chelates Plus

## Premium Antioxidant Formula

*One of the most advanced and potent oral chelation formulas on the market today!*

## ***Vital Chelates Plus***

is a great nutritional supplement designed to help promote a healthy system. A special formulated High Premium Antioxidant supplement provides extra nutritional support and may provide protection against the effects of free radicals.

### ***According to the***

American Heart Association, over 70 million Americans suffer from cardiovascular disease.

The most common form:

- ***arteriosclerosis***

Which results from:

- ***plaque or fatty deposits in the blood***

And can result in:

- ***clogged arteries***
- ***reduced blood flow throughout the body***

### ***In 1948,***

the FDA approved EDTA intravenous chelation (pronounced Key-lay-shun) as treatment for metal toxicity for industrial workers suffering from lead poisoning. Physicians then observed that adults receiving chelation treatments had experienced overall health improvements. Chelation therapy has been used effectively to treat arteriosclerosis for more than 40 years in the United States.

## ***With today's technology***

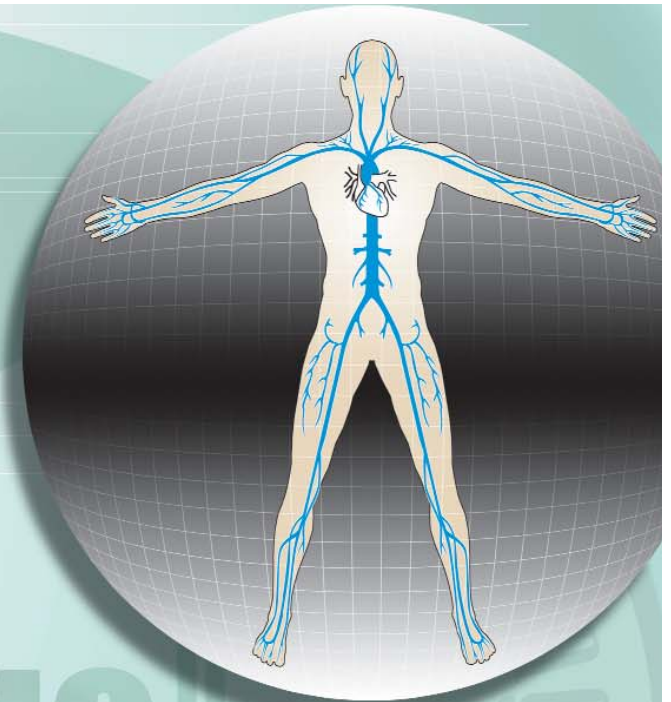

a safe, new option is now available; Oral Chelation Therapy. All natural, Vital Chelates Plus™ is one of the most advanced formulas on the market today.

## ***The premium antioxidants***

in Vital Chelates Plus behave like scavengers, gathering up free radicals which are linked to our most prevalent diseases including heart and lung disease. Antioxidants have been marveled for their abilities to fight against free radicals, to scavenge and to clear out plaque from the arteries. They also work to restore skin tone and reduce heavy metals in the circulatory system, which helps to ward off fatigue. The unique blend of minerals and nutrients work to fight the aging process and brighten that youthful glow.

## ***AMS Vital Chelates Plus***

is one of the most potent Oral Chelation Formulas on the market today It contains nutrients that stimulate the body to build extra supplies of an enzyme called Lippo Protein Lyppes or LPL. This enzyme acts as a detergent to the body.
